Dear Parents / Carers,

Swimming Information

I would like to inform you that the swimming program for this academic year will be concluding after a successful 18 weeks of quality swimming instruction. The final swim will be on Monday 5th February 2024. Pupils have made a good level of progress since beginning swimming in September. This change will allow us as a school to focus on other areas of the PE curriculum.

Please be advised that we will be evaluating the current swimming arrangements for the next academic year. A survey will be provided in the coming weeks to gather parental views.

Yours sincerely

Valerie Rose
Head Teacher
