On Thursday 14th March, Lincolnshire Parent Carer Forum, led a coffee morning at the school. They help parents to

understand what support is available to them if their child has special educational needs. We only had a couple of attendees, but they found it really useful. Please contact the school if you would like any information about this charity.

Is my child too ill for school?

It can be tricky deciding whether or not to keep your child off school, nursery or playgroup when they're unwell.

There are government guidelines for schools and nurseries about managing specific infectious diseases at GOV.UK. These say when children should be kept off school and when they shouldn't.

Our whole school attendance is really improving, and a number of children are on track for their 100% attendance awards at bronze or silver level. Thank you for your support with this.

More details can be found at –

[Is my child too ill for school? - NHS \(www.nhs.uk\)](https://www.nhs.uk/conditions/when-should-i-keep-my-child-off-school/)

Please note that children should not be arriving at school before 8.30am without prior arrangement. This is only granted after discussion with Mrs Rose and only agreed under special circumstances. The gates open at 8.30 and there is no supervision available before this time.

Round the World Day

Today in school we did something a bit different. We jumbled up all the classes into mixed groups and then the children had a session with each teacher. All groups learnt something about a different country and we had lots of fun.

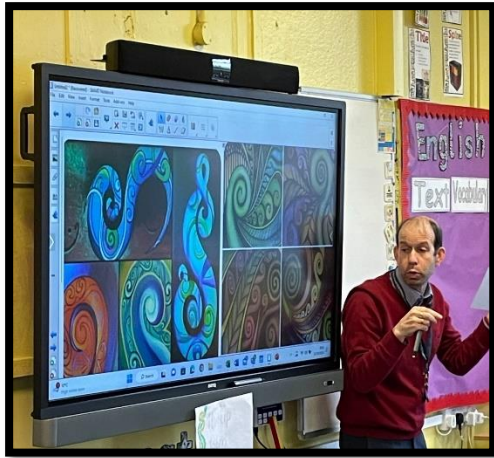

In Mrs Morris' classroom, the children visited the country of Spain. First they discussed where the country is and some of the customs. The children learnt a song about all the different Spanish greetings. Carnival masks were made as the 'feria' - town celebrations- are an important part of Spanish culture.
