

Gedney Church End News

19th April 2024

Dear Parents and Carers

Welcome back to the start of the Summer Term. The children have settled quickly into class and new routines. Unfortunately, we can't say the same for the transport by taxi to and from school. Changes to the service have been made by LCC and new providers have been arranged. We were not aware of these changes until we were informed by parents of the various issues when we returned to school on Tuesday.

If you are continuing to have issues with taxi collection and/or drop off please contact -

Transport Services Group, Lincolnshire County Council, Crown House, Grantham Street, Lincoln, LN1 2BD P

Phone: 01522 782020

Email: TSG_lincoln@lincolnshire.gov.uk

We will continue to try and resolve the issues but, in this situation, parental voice will have a greater influence.

Please do continue to keep us informed of any and all problems relating to transport.

TUCKSHOP

Cheerios

26 April 2024

20p per item. Each child will have the option to purchase one item. They can buy additional items once everyone has had a chance to buy one.

This week in class

This week, the children in Skylon Class had a fun maths week, the children loved making their very own number line using masking tape to stick to the tables. They then had the challenge of making a number line to 100 and even 1000 using post it notes to number along! The children were amazing and managed to make number lines of 2's, 5s, 10s and many others.

In science the topic is growth and on Tuesday the children had time to look at and explore a tomato plant and learn about its parts. They even got to look at the inside of a grown tomato, inspecting its seeds and thinking about how the plant begins and ends their growth.

Great first week Skylon! Keep up the hard work!
