Dear Parents and Carers

As we come to the end of yet another term, I want to thank you on behalf of the staff for all your support and wish you a very pleasant and restful half term break.

This has been a term of testing for all the children, and they have all done their very best. We also had our highest attendance this year during SATs week. Well done everyone 😊

Testing does however continue after the break with the Multiplication Check for the Y4 pupils and Phonics Screening for all Y1 pupils and those in Y2 who need to retake the test.

Upcoming Building Work

Major renovation works will be taking place during the Summer Holidays. To ensure that this work starts on time school will be **closing at 1.00pm on Friday 19th July.**

Please contact Mrs Rose if you have any questions.

Snacks and Drinks

Please remember that children should be bringing **healthy snacks** for break and **water only** to drink in school. Several children have started bringing squash to drink, and sausage rolls, chocolate bars etc. for break. Unhealthy snacks and drinks are not allowed. Thank you for your cooperation.

This week in class

Falcon class are studying animals and plants in science this term. We made binoculars so that we could spot any birds flying in the sky or any other wildlife. Everyone worked really hard on their designs and the result was spectacular
