

Gedney Church End Primary School

Dear Parents and Carers

A few weeks ago, parents and carers joined us in Falcon class to find out a little bit more about Learning to Read. We were delighted to see so many of you at the session and would love to get some feedback to help us improve future sessions.

The survey is completely anonymous. The more parents and carers who return the form, the more information we have to work with. Please return your completed questionnaire by Friday 24th November.

Thank you.

Mrs Rose

Question	Your Response
How useful did you find the session?	
What worked well in the session?	
How has it helped you to support your child's reading?	
What have you done differently since attending the workshop?	
Is there anything else you would like to add which would help us improve future sessions?	

This survey is available on Microsoft forms and a link has been sent to you by email. You are welcome to complete online if you would prefer that to a paper survey.
